MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. John Tietjen

1. In a conference held this date between Dr. Tietjen and the undersigned, Dr. Tietjen was briefed on the JOT Program and furnished with a copy of the outline of the course and its general objectives. He appeared thoroughly conversant with the Program with the exception of the objectives and the schedule.

Incidental to this briefing the XO/TR had requested that I discuss with Dr. Tietjen and secure his agreement to placing a CIA doctor [REDACTED] during part of the time that the activities there would be concerned with Project [REDACTED]. Dr. Tietjen readily agreed both to the importance of this and to placing a physician during part of this period. He requested the XO furnish him with the dates and he would meet the requirements.
